DAYS 3/4/5~ FRIDAY/SATURDAY/SUNDAY~ JULY 10/11/12

TARANGIRE NATIONAL PARK

Begin your safari adventure today as you drive to Tarangire National Park, the third largest national park in Tanzania. It is the vast number of baobab trees that first capture the eye as you enter Tarangire. The gently rolling countryside is dotted with these majestic trees, which seem to dwarf the animals that feed beneath them. The park is spectacular in the dry season when many of the migratory wildlife species come back to the permanent waters of Tarangire River. Huge herds of wildebeest, zebra, elephant, eland and oryx gather to stay in Tarangire until the onset of the rains when they migrate again to good grazing areas. Over 300 bird species have been recorded in Tarangire. Endemic bird species include Ashy Starling, Yellow-collared Lovebird and the Rufous-tailed Weaver. Other species include Yellow breasted Apalis, Slender-tailed Nightjar, Lilac-breasted Roller, Black-faced Sandgrouse, Coqui Francoline, Magpie Shrike and the Red and Yellow Barbet.

Tarangire Elephant Springs is a premium getaway nestled in the heart of Tarangire National Park, celebrated for its majestic elephant herds and iconic baobab trees. The lodge offers expansive suites featuring floor-to-ceiling windows, private terraces, outdoor showers, and soaking tubs, all designed to showcase breathtaking views of the surrounding landscapes and wildlife. Each suite comes equipped with an en-suite bathroom, a rainfall shower, complimentary eco-friendly toiletries, a hairdryer, and cozy slippers. Guests can enjoy modern comforts such as complimentary Wi-Fi, daily housekeeping, and personal fireplaces, blending luxury with eco-conscious living. An infinity pool overlooks the famed elephant springs, providing an unmatched wildlife viewing experience, particularly during the dry season when elephants gather at the water source, creating an unforgettable scene.

DAY 6~ MONDAY~ JULY 13

LAKE MANYARA NATIONAL PARK/NGORONGORO CONSERVATION AREA

Wake up excited as you drive to Lake Manyara National Park, an ornithological paradise with over 350 species of birds. You may see Verreaux's Eagle, a variety of vultures, storks, swifts, and swallows winging their way atop the spectacular cliffs overlooking the lake, which often has a pinkish hue due to the flamingos shimmering in the distance. Lake Manyara, at 3,150 feet in altitude, varies in salinity levels with wetter and drier climate cycles, and at times it is replete with flamingos, pelicans, storks, and cormorants. Springs in the park's northern end support a dense groundwater forest of magnificent giant fig and mahogany trees, which shelter blue and vervet monkeys and an abundance of baboon, bushbuck, waterbuck, and elephant. South of the groundwater forest, acacia woodland and open grassland are frequented by buffalo, wildebeest, impala, giraffe, zebra, and the elusive tree-climbing lion, the signature species of this park. Perhaps the most recognizable tree found here is the baobab tree, which folklore says was uprooted and planted upside down. The hippo pool, where visitors may get out of their vehicles, is located on a freshwater stream that enters the lake at its northern tip.

Depart from Lake Manyara National Park and drive to Wayo Green Camp for lunch. Afterward, continue your journey to Kitela Lodge for dinner and overnight.

Situated on top of a valley, overlooking the Eastern wall of the Ngorongoro Crater and a beautiful waterfall is your exclusive lodge. Kitela Lodge consists of 20 spacious suites built inside of cottages reminiscent of an old colonial farm, all with en-suite facilities and stylish contemporary décor. Meals are served in the main building and on occasion lunch is served al fresco by the pool. Relax and unwind in the tranquility of the beautiful gardens, at the heated pool or in the African spa. Free Wi-Fi in the common area.

Overnight at KITELA LODGE. (B,L, D)

Driving Times from Lake Manyara National Park to Kitela Lodge: about 2 hours

DAY 7~ TUESDAY~ JULY 14

NGORONGORO CONSERVATION AREA/NGORONGORO CRATER

On your second day here, board your land cruiser for an amazing journey as you descend onto the floor of the crater, a World Heritage site, which is an extinct volcano and the largest unbroken caldera in the world. The cone is believed to have collapsed nearly two million years ago, and while the cone was standing, it could have been as tall, if not taller, than Mount Kilimanjaro.

The crater (1,800 feet deep and 102 square miles) is a microcosm of East African scenery with abundant wildlife including more than 25,000 larger animals, mostly zebra and wildebeest. This is also the best place in Tanzania to see magnificent black-maned lions. This area offers an outstanding opportunity to see black rhinos, as they are protected around the clock. Over the years, the floor of this crater has become mostly savannah (grassland), with a soda lake whose size changes depending on the rains that are the lifeline of this amazing land. On this lake, marvel at the colorful flamingos and a variety of other water birds – more than 100 species of birds found here that are not found in the Serengeti. The resident Ostrich, Crowned Crane, and Kori Bustard are joined seasonally by migrant flocks of White and Abdim's Storks. Patience may also reward you with glimpses of leopard, cheetah, hyena, jackal, elephant, warthog, buffalo, impala, hartebeest, eland and many other antelopes.

As you descend, you might be able to see the local Maasai as they take their cattle down the steep walls of the crater. It is their right, negotiated with the government and parks authority, to graze their cattle in about 75% of the crater floor. The mix of cattle with the wild animals makes for some terrific photographs, and the interaction between domestic and wild animals is almost unbelievable. At the hippo pool, take a rest and enjoy your lunch. Then resume your game-viewing and look for that special photograph, before returning to the rim of the crater of the crater and drive to your lodge. Overnight at KITELA LODGE. (B,L,D)

Schedules, accommodations and prices are accurate at the time of writing. They are subject to change.

DAYS 8/9/10~ WEDNESDAY/THURSDAY/FRIDAY~ JULY 15/16/17 OLDUPAI GORGE/SERENGETI NATIONAL PARK

Your bumpy but scenic road takes you to Oldupai Gorge one of the world's most important paleoanthropological locations. This is where, in 1959, Mary and Louis Leakey found fossil evidence of the 1.7-million-year-old Australopithecus Boisei (Zinjanthropus) and Homo Habilis (Handyman). Thousands of stone tools, some of which have been used by Homo Habilis, have been found at Oldupai; the oldest style is easiest to remember, because it is called Oldowon. In addition to the remarkable human fossils, prehistoric elephant, giant horned sheep and enormous

Ostrich fossils have been found here and extinct species unearthed include three-toed horses and giant antelope. Since the Leakeys first began searching the area for clues to our distant past, more than sixty hominid remains have been excavated, belonging to four different hominids, showing the gradual increase in brain size and in the complexity of their stone tools. The gorge itself is a very steep-sided ravine roughly 30 miles long and 295 feet deep. It resembles a small Grand Canyon with exposed strata of different layers where the deposits of rich fossil fauna, hominid remains, and stone tools were found. The gray lines are volcanic tuffs and eruptions are used to estimate the age of the fossils. You will want to visit the museum which contains a cast of the 3.7 million year old footsteps of Australopithecus Afarensis preserved in solidified volcanic ash, found at nearby Laetoli by Mary Leakey in 1979. Outside the museum a Tanzanian guide will explain the geological features of the gorge and the work of the Leakey's.

Enjoy lunch at Miracle Experience Restaurant in Seronera which offers a scenic, open-air dining experience in the Serengeti. The menu features a mix of local and international dishes, including grilled meats, fresh salads, and vegetarian options, all made with locally sourced ingredients. The peaceful setting, with wildlife often visible, makes it a perfect midday break during your safari.

Resume your drive to Serengeti National Park (3,646,500 acres); the jewel in the crown of Tanzania's protected areas with over 3 million large mammals roaming its plains. It lies between Ngorongoro and Lake Victoria and adjoins Kenya's Maasai Mara. The Serengeti has come to symbolize paradise to all, including the local Maasai, who have grazed their cattle on the vast grassy plains for generations. To the Maasai, it is Siringitu - "the place where the land moves on forever."

Today, the Serengeti National Park, the Ngorongoro Conservation Area, and the Maasai Mara Reserve across the border in Kenya protect the greatest and most varied collection of terrestrial wildlife on earth, and one of the last great migratory systems still intact. More than a million wildebeest, accompanied by hundreds of thousands of zebras and other herbivores, descend upon the short-grass plains of the southeastern Serengeti at the start of the rainy season around December. After calving in January and February, they scatter over the southern and central plains. By May the rain ends, the grass has been reduced to stubble, and the animals begin their long march to dry-season grazing grounds near the permanent

waters of the Serengeti's northern woodlands and Kenya's Maasai Mara. Reaching these destinations by July or so, they remain until October, when they head back to the southeastern Serengeti. This struggle for survival continues unaided and unaltered through the millennia!

The Serengeti is incredible to visit any time of the year. In the Seronera Valley, towering yellow fever trees and palm thickets line the Seronera River and its hippo pools. This is a superb area for seeing predators such as lion, leopard, and cheetah, and their prey – giraffe, topi, Bohor reedbuck, Defassa waterbuck, buffalo, and impala. The kopjes (prehistoric rock outcroppings) host the hyrax, dwarf mongoose, and red-headed agama, while patience might reward you with a sleepy black-maned male lion or leopard. The open grassland is home to large groups of Thomson's and Grant's gazelles, spotted hyena, jackal, and such birds as the Double-banded Courser, Yellow-throated Sandgrouse, Red-capped Lark, Fischer's Sparrow-lark, and Capped Wheatear. Your twice-daily wildlife drives will allow ample viewing. As an optional excursion, you can take a balloon safari for an exhilarating experience over the savannah as the early sun rises and the animals are more active.

Your accommodation, Kubu Kubu Tented Lodge, is a permanent tented camp set on a hill in central Serengeti with views over the Serengeti plains. Designed in a modern African style with a touch of romance, Kubu Kubu is the perfect balance of sleek and cozy. The main area has a deck, lounge, and pool, and the camp has 25 spacious tents. All tents are built on wooden platforms with ensuite facilities and feature a balcony with magnificent views of the Serengeti plains.

OPTIONAL POST-EXTENSION TO ZANZIBAR

DAY 11~SATURDAY~ JULY 18

SERENGETI/ARUSHA/ZANZIBAR

Last chance to photograph that awesome sunrise before you board your flight to Zanzibar, via Arusha. Zanzibar is the best kept secret in the Indian Ocean, with its fascinating history and magnificent beaches. The Assyrians, Sumerians, Egyptians, Phoenicians, Indians, Chinese, Persians, Portuguese, Omani Arabs, Dutch and English have all been here at one time or another. Some, particularly the Shirazi Persians and Omani Arabs, stayed to settle and rule. With this influence, Zanzibar has become predominantly Islamic, with the remaining population made up of Christians, Hindus and Sikhs. The earliest visitors to Zanzibar were Arab traders who are said to have arrived in the 8th century. For centuries they sailed with the Monsoon winds from Oman to trade primarily in ivory, slaves and spices.

The earliest building that remains on Zanzibar is the mosque at Kizimkazi which dates from 1107, and is a present-day tourist attraction. Zanzibar has two main islands, Unguja (normally known as Zanzibar Island) and Pemba. Stone Town, located on Zanzibar Island, is the old city and cultural heart of Zanzibar, where little has changed in the last 200 years. It is a place of winding alleys, bustling bazaars, mosques and grand Arab houses whose original owners vied with each other over the extravagance of their dwellings. This one-upmanship is particularly reflected in the brass-

studded, carved, wooden doors – there are more than 500 different examples of this handiwork. Stone Town was recently and deservedly declared a World Heritage Site by UNESCO.

Begin to experience Zanzibar's fascinating history and vibrant culture with a tour of the fabled Stone Town. Visit the House of Wonders, the Palace Museum (People's Palace), Dr. Livingstone's House, the Arab Fort, and the National Museum of Zanzibar, which houses relics from the times of the Sultans and early explorers. See Zanzibar's bustling market, winding alleyways, ornately carved and studded doors, two cathedrals, and countless mosques. Visit the Anglican Church, built in 1874 on the site of the old slave market, and see the chambers beneath it where slaves were held before they were sold. You will see the site of Sultan Barghash's harem at Marahubi, with its colorful history. Stone Town also has many excellent gift shops with plenty of souvenirs and handicrafts to choose from.

Your home for the next two nights, Park Hyatt Zanzibar, is located on the beachfront in the heart of Stone Town, a designated UNESCO heritage site. This stunning property features 67 luxurious rooms, including 11 suites, that seamlessly blend understated elegance, contemporary style, modern technology, and timeless regional accents. All rooms are equipped with a flat-screen cable TV, a mini-bar and tea and coffee making facilities, air conditioning, and complimentary Wi-Fi. Private bathrooms have a bathtub, free toiletries, and a hairdryer. Spoil yourself with a well-deserved wellness treatment at The Spa. Facing the Indian ocean and overlooking the local beach, the hotel's infinity pool is the ideal place to enjoy a morning swim, or a couple late afternoon laps to end the day. The hotel has a fully-equipped fitness center and a Dining Room decorated in a colonial style. Open for breakfast, lunch and dinner, it serves fresh and tasty food influenced by Portuguese and Arabian cuisine.

Overnight at the PARK HYATT ZANZIBAR (in park view rooms). (B, Packed L)

DAY 12~SUNDAY~ JULY 19 ZANZIBAR~ SPICE TOUR & JOZANI FOREST

The history of Zanzibar would be incomplete without the cloves, nutmeg, cinnamon, pepper, and many other spices which brought the Sultans of Oman and the beginnings of the infamous slave trade. This morning, you will visit a plantation and have your senses dazzled with fresh spices. A detailed description will be given

of these spices and their uses in cooking and cosmetics. You will be fascinated by the sheer number of spices produced and their incredible value for many ailments. This is an excellent opportunity to purchase spices and spice oils at the best prices.

Drive to the Jozani Natural Forest Reserve, located in the central east region of Zanzibar Island and home to the rare red colobus monkey, endemic to Zanzibar (so named for a red spot on its head). These habituated monkeys are full of

character and, although completely free, tend to feed just outside the reserve's perimeter. They are extraordinarily photogenic as they leap from tree to tree just above you. Jozani is home to other species including Syke's monkeys, small bucks, and bushpigs. The elusive Zanzibar leopard, last sighted several years ago, is said to feed here at night. (Perhaps this is why the reserve is only open during the day?) Jozani has an excellent nature trail, and the guides are well-trained and informative.

OPTIONAL BALLOON SAFARI OPTIONS IN TANZANIA

Experience an exhilarating balloon safari for the most incredible way of viewing wildlife. It begins in the early morning, after you observe the inflating of the balloon, and you have an hour of uninterrupted views of wildlife from the air – the best way to see the incessant movement of animals and the fabulous vistas of Tanzania. During the flight, you will ascend to a high altitude to take in an amazing panoramic view and then descend to treetop level and silently glide above the wildlife below. Upon landing, enjoy a “bubbly” brunch, set especially for you in the middle of the plains. Zebra and elephants may be your dining guests, and Africa’s colorful birds may vie for a crumb of your bread. You then meet with your driver/ guide and continue your safari. Many consider this one of the most memorable experiences of their safari.

Gliding across **Tarangire National Park** as the sunrise stains the plains with hues of orange and pink, you see beautiful savannah dotted with giant baobab trees, while the Tarangire River looks like a silver ribbon, filled with many of the animals that come to relieve their thirst in the early morning. Look for incredible herds of elephant, dazzles of zebra in the early sun, giraffes and much more, as well as some of the 500 species of birds Tarangire is famous for.

Flying high up in the skies of the **Serengeti National Park**, you view an endless magical array of savannahs, rivers, forests, and escarpments. Certain times of the year, you may see some of the great migration, and there’s nothing like this unparalleled phenomenon of migrating herds of zebra, wildebeest, and gazelle to view from the air. Jan-Mar, the animals are massed in Southern Serengeti; Apr-Jun, they’re on the move in Central Serengeti and going North, Jul-Oct they’re in the Maasai Mara. But whether the migration is in the Serengeti or not, watching predators such as lion and cheetah hunting their prey, and looking for all the marvels of the bush, is exciting and never gets old!

We suggest booking in advance to avoid disappointment. At present, the costs are as follows:

- Serengeti** with collection from your lodge – Kubu Kubu Tented Lodge: \$599 per person.
- Tarangire** with collection from park gate – Maramboi Tented Lodge i: \$550 per adult (including children 12 and over).

THINGS YOU NEED TO KNOW ABOUT TANZANIA

Participants

- Participants must be able to climb in and out of vehicles unassisted. They should also be able to tolerate riding on uneven, bumpy dirt roads for long periods of time (6-9 hours maximum), as well as some off-road experiences when opportunities allow.
- Participants should also be able to stand and/or walk moderate distances at an easy pace for up to a few hours at a time when visiting villages, towns, or other sites. Some, if not most, of this walking may be on uneven ground or uphill, often at higher elevations and altitudes that many people are not used to.

General

- True adventure in travel can sometimes be accompanied by unexpected changes in conditions, itineraries, and occasionally your accommodations.
- Participants should travel with a spirit of adventure and flexibility. Remember to pack your patience and sense of humor! Be willing to look past self-imposed ideals of Western amenities and do not compare these new experiences with your life back home. Travel often includes visiting destinations with modest infrastructures and a bending definition of comfort.
- That being said, some locations are nestled in absolute luxury where pampering is the norm. Participants should generally be in good health and prepared to travel to locations without medical facilities.

BRING-A-BOOK FOUNDATION

Your safari may include a visit to a local school. We encourage you to bring colorful books and magazines, as well as school supplies such as pens, paper, crayons, soccer balls, etc., which you can present to the children during your visit. Many of these children have never owned a book in their life and the connection you'll make with them is invaluable. You'll find that children in the schools are eager to meet with visitors, practice their English, learn about your culture and proudly share their own. You are often welcomed with a local song or dance.

After seeing schools first hand, meeting the dedicated teachers working under the most difficult conditions and children hungry for knowledge, many travelers have wanted to help the schools they visited or continue to support a child's learning opportunities after they return to their homes. Bring-A-Book is an innovative effort adopted by Classic Escapes to expand education opportunities for school children. The Bring-A-Book Foundation is a registered Kenyan Charitable Trust that was created as a way to facilitate travelers' wishes to help the schools and is used to get books into the hands of children as quickly and economically as possible. With compassionate ground operators such as Rangers Safaris, Wilderness Safaris and &Beyond, Classic Escapes has expanded the reach of BAB to Tanzania, South Africa and Zambia, and to other countries our travelers visit around the world. Information will be given to you with your final documents, but if you wish to help further, feel free to call Classic Escapes at 800-627-1244 for details.

CLASSIC ESCAPES CONSERVATION FUND

In keeping with our mission to provide exciting, educational, and fun-filled experiences that nurture and directly support the diverse wildlife and cultures we visit around the world, Classic Escapes has established the Classic Escapes Conservation Fund to ensure that a percentage of all profits go to support conservation and wildlife researchers performing their critical work in the field. Project support has included wild dog, elephant, rhino and cheetah conservation in Botswana, Kenya, Tanzania and Namibia, penguins in Punta San Juan Peru, tiger preservation in India, and sponsoring school children in Kenya, among many other projects around the world. CONDITIONS OF TRAVEL:

The purchase of your travel booking constitutes a contractual agreement between the traveler(s), customer(s), and/or purchaser(s) (collectively as "**You**" and "**Traveler**"), and Classic Escapes ("**Classic Escapes**", "**We**", "**Us**") pursuant to the following terms and conditions ("**Terms**", "**Agreement**"):

REGISTRATION & PAYMENTS

HOW TO BOOK: Fill out and sign the enclosed reservation form and send it, along with the relevant deposit as shown below, to: CLASSIC ESCAPES, 191 W Poplar Street, Floral Park, NY 11001. Upon receipt of your signed reservation form and deposit, we will, subject to availability, reserve your spot on the tour. You may consider your booking confirmed when you receive a confirmation notice and invoice from us.

DEPOSIT AND FINAL PAYMENT: You will be required to pay the following per-person non-refundable deposits when booking. Those amounts are:

- \$2,600 for the main trip
- \$800 for the post extension

All deposits are subject to the Cancellation policy herein. Final payment is required no less than 95 days prior to departure (April 4, 2026) unless otherwise stated. Some airfares or services must be paid in full at the time of booking. Payments may be made by check or with a credit card (American Express, Visa, MasterCard, or Discover.) Conditioned on receipt of final payment in full, all final documents and air tickets will be sent to you approximately two weeks prior to departure.

CREDIT CARD PROCESSING FEE: Payments made via credit card will incur a non-refundable processing fee of 5%. This fee applies to both deposits and final payments and will be added to the total trip cost. By choosing to pay via credit card, you agree to this additional charge. Alternative payment methods, such as bank transfers or checks, are available to avoid this fee.

CREDIT CARD TRANSACTIONS: If for any reason, any travel service provider is unable to provide the services for which you have contracted, your remedy lies against the provider, and not against Classic Escapes, and in the event that payment has been made to Classic Escapes by credit card, you agree that you will not seek to chargeback your payment to Classic Escapes. If the credit card is passed through to the travel service provider and you seek to chargeback your payment from the provider, you agree to be held liable and indemnify Classic Escapes against this chargeback from the provider, including without limitation any air debit memos charged to Classic Escapes. If the credit card is declined, you guarantee that you will settle any amounts owing to Classic Escapes via money order or cash immediately. Except in cases of fraud, you agree not to file any dispute with your bank or credit card company to avoid or violate any booking terms and conditions of Classic Escapes or its suppliers, including cancellations or changes of itinerary or arrangements for reasons beyond the control of Classic Escapes or its suppliers. If you attempt to chargeback, reverse, or recollect a previously authorized trip payment, Classic Escapes reserves the right to collect all additional costs, fees, and expenses associated with such chargeback, reversal, or recollection, including, without limitation, attorney fees.

IMPORTANT CONDITIONS: Prices are subject to increase prior to the time you make full payment. Prices are not subject to increase after you make full payment, except for charges resulting from increases in government-imposed taxes or fees. By signing the reservation form, you expressly acknowledge your acceptance of these conditions (i.e., increases before full payment and increases attributable to government-imposed taxes or fees after full payment will be your responsibility) applicable to your purchase.

RATES: Rates are based on the minimum number of guests outlined in this document, plus airfare costs, currency exchange rates, and other factors, and are subject to change. Though it is rare for Classic Escapes to make a price adjustment after the promotion of an itinerary, we do reserve the right to assess a surcharge if the minimum is not met, or if increases are forced upon us by airlines or other partners, or because of changes in currency exchange rates.

ADDITIONAL FEES: Additional taxes and surcharges that cannot be pre-collected may be charged locally. Cost of passport and visa fees and service charges for obtaining visa fees; excess baggage charges levied by airlines; laundry and other items of a personal nature; optional travel insurance policy(s); or any other costs incurred that cannot be pre-collected are NOT included and are the sole responsibility of the Traveler.

SINGLE SUPPLEMENT: The quoted rate is valid for the first two single rooms booked and on a first-come, first-served basis. If more than two single rooms are needed, an additional supplement may apply. Single accommodations are not guaranteed but will be provided at additional cost if available (see 'Your Journey at a Glance' section for the cost.) The single-room supplement pays for privacy, not better accommodations. For passengers who are traveling alone and wish to share a room with another tour member, we will do our best to provide a roommate. However, if this is not possible, you will be required to pay the single room supplement prior to your departure from the USA.

GRATUITIES, ENTRANCE FEES & TAXES: Gratuities for baggage handling, service charges and taxes imposed by hotels, and entrance fees to all points of interest as outlined in the itinerary are included in the final cost. U.S. and foreign airport taxes are included in air costs. Tips to drivers and specialist guide(s) are not included and are the sole responsibility of the Traveler.

CANCELLATIONS, DEVIATIONS & CHANGES

TRAVEL INSURANCE: We recommend travel insurance. Travel insurance can provide financial reimbursement should the unexpected occur.

CANCELLATION: Please be aware that most travel bookings are non-refundable and cancelled bookings will incur charges. These charges can be up to 100% of the cost of the booking, regardless of whether travel has commenced. Where we incur any liability for a cancellation fee or charge for any booking that you cancel, you agree to indemnify us for the amount of that fee or charge. Cancellations are only effective upon receipt of written notification. The following per-person fees are applicable; however, depending on the specific itinerary or other factors, we may require a non-refundable deposit:

- Up to 6 months prior to departure (January 9, 2026), \$300 per person administrative fee, plus \$1,500 non-refundable deposits given to suppliers.
- 179 days to 96 days prior to departure (January 6 to March 21, 2026), deposit is forfeited.
- 95 days to 76 days prior to departure (April 4 to April 3, 2026), 25% refund is possible.
- 75 days or less prior to departure (April 24, 2026), no refund is possible.

These cancellation fees are also in addition to any fees imposed by airlines.

REFUNDS: While Classic Escapes uses its best endeavors to ensure that all anticipated accommodation is available as planned, there is no claim of any nature whatsoever against Classic Escapes for a refund, in whole or in part, if any accommodation or excursion is unavailable and a reasonable alternative is not found, or if the Traveler is unable to use any service provided in the itinerary.

CHANGES: Once your tour is reserved, changes to the itinerary are possible subject to the availability of air or land space at the time of your request. Should there be any change fees imposed by any airlines or ground operators, or additional costs incurred due to the availability of any space, these costs will be invoiced to you and you will be responsible for payment thereof.

SPECIAL ARRANGEMENTS: Should you wish to make additional travel plans, including specially arranged pre- or post-tour extensions different than those offered in conjunction with your tour, a service charge of \$150 per person (over and above the cost of the services required) will be assessed.

DOCUMENTS

PASSPORTS: All individuals departing from the United States of America must be in possession of a valid passport. Please check that your passport is valid for at least 6 months beyond your intended return date. It is your responsibility to ensure that you have valid travel documentation, including but not limited to passports and visas, which meet the requirements of immigration and other government authorities at every destination. You are responsible for confirming with the United States Department of State or the representative government agency of the country to which you are traveling to confirm the requirements for visas and/or other requirements for admission to your destination. Any fines, penalties, payments, or expenditures incurred as a result of such documents not meeting the requirements of those authorities will be your sole responsibility.

REAL ID: Beginning May 7, 2025, if you plan to use your state-issued ID or license to fly within the U.S., it is your responsibility to make sure it is REAL ID compliant. If you are not sure if your ID complies, please check with your local state Department of Motor Vehicles or visit www.tsa.gov/real-id.

TRAVEL DOCUMENTS: It is the responsibility of each Traveler to obtain and carry a valid passport, visa(s), and all other documents required by applicable government regulations. When traveling domestically or internationally, the U.S. Transportation Security Administration (TSA) and U.S. Department of Homeland Security (DHS) advise that everyone carry acceptable identification in order to board a flight. Acceptable identification can be found at <http://www.tsa.gov/traveler-information/acceptable-ids>. The name, date of birth and gender that appears on the identification card must exactly match the same such data that is listed on airline ticket(s) and booking records. You acknowledge any failure to strictly comply with these requirements may result in denied boarding or an undue delay at an airport security checkpoint causing the Traveler to miss flight(s), and subsequent scheduled travel bookings on cruises and tours.

Travel documents include, without limitation, airline tickets, hotel vouchers, tour vouchers, or any other document (whether in electronic form or otherwise) used to confirm an arrangement with a service provider. Travel documents may be subject to certain conditions and/or restrictions such as, but not limited to, being non-refundable, non-date-changeable, and subject to cancellation and/or amendment fees. Travel documents cannot be transferred to another person to use. All airline tickets must be issued in the name of the passport/photo identity holder. An incorrect name on a booking may result in an inability to use that booking and the

Schedules, accommodations and prices are accurate at the time of writing. They are subject to change.

booking being canceled. Any errors in names, dates, and timings may result in an inability to use that booking and the booking being canceled. Any errors in names, dates, and timings on your documentation will be your responsibility if we are not advised at the time of booking. Please reconfirm your flights at least 24 hours prior to departure.

PRE-DEPARTURE INFORMATION: Upon receipt of your registration and deposit, we will send you an electronic pre-departure packet containing all the information you need to prepare for your tour, including the complete itinerary, packing checklist, required documents, insurance information, etc.

FINAL DOCUMENTS: Electronic final documents and air e-tickets will be sent to you approximately two weeks prior to departure, provided all monies have been paid in full.

TRANSPORTATION

AIR TRANSPORTATION: Your program does not include international airfare. If you require assistance, contact Classic Escapes.

FREQUENT FLYER MILEAGE: Check on the airline's website to enquire who their partners are. Obtain frequent flyer mileage on any of these carriers. Present your frequent flyer card for all flight check-ins and keep the boarding passes until you receive a statement with the mileage credit.

TRANSFERS: Roundtrip airport transfers are included in the tour for guests arriving on group flights. If travelers make their own air arrangements, they will be subject to extra transfer fees.

FLIGHT CONFIRMATION: We strongly suggest that you reconfirm exact flight times with the carrier prior to departure. Air travelers are required to check in at least 2 hours prior to departure time for domestic flights and 3 hours for international flights and must report to the gate at least 30 minutes prior to departure time. Failure to comply may result in the loss of the seat to another passenger.

HAZARDOUS MATERIALS: Federal law prohibits passengers from carrying hazardous materials on the aircraft. Federal law forbids the carriage of hazardous materials aboard aircraft in the passenger's luggage or on the passenger's person. A violation can result in five years of imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives, and radioactive materials. Examples: Paints, lighter fluid, fireworks, tear gases, oxygen bottles, and radiopharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in the passenger's luggage and certain smoking materials carried on the passenger's person. For further information, each passenger should contact the relevant airline representative(s) on their itinerary. Restrictions on hazardous materials are listed <http://www.tsa.gov/traveler-information/prohibited-items>.

INSECTICIDE NOTICE: Some countries require insecticide spraying of aircraft prior to a flight or while you are on the aircraft. We recommend that you refer to the Department of Transportation's list of airports in countries that require airlines to treat the passenger cabin with insecticides prior to the flight or while on the aircraft available at <https://www.dot.gov/office-policy/aviation-policy/aircraft-disinsection-requirements>.

BAGGAGE & FEES: Additional fees for baggage may apply. Please contact your airline or refer to its website for detailed information regarding its checked baggage policies. On average, international flights from the USA allow one piece of checked luggage, not exceeding 50 pounds, plus a carry-on piece not exceeding 15 pounds; however, we always recommend that you check your airline's policy just before departure, as luggage limitations are always subject to change. There may also be luggage and weight restrictions for your destination and that information will be forwarded to you with your pre-departure material and also listed on your final documents.

LUGGAGE ALLOWANCES ON INTERNAL FLIGHTS: Your journey includes internal flights aboard light aircraft which are designed with a maximum luggage allowance; this is closely monitored by the flight operators for safety reasons. You are allowed one carry-on and one piece of luggage, total weight: **44 lbs. (20 kgs.)** per person including the camera equipment. Further, only soft-sided duffel bags are accepted, as they stow best in vehicles and airplanes with limited space.

PERSONAL WEIGHT ALLOWANCES ON INTERNAL FLIGHTS: Your journey includes internal flights aboard light aircraft which are designed with maximum body weight and luggage allowance; this is closely monitored by the flight operators for safety reasons. If your personal weight exceeds **85 kilos (187 lbs.)** it may be necessary to purchase an extra seat and your Classic Escapes Journey Manager will contact you should this be necessary.

AIRLINE CLAUSE: The airlines concerned are not to be held liable for any act, omission, or event during the time the passengers are not on board their planes or conveyance. The passengers' tickets in use by the airline or by other carriers concerned when issued shall constitute the sole contract between the airlines and the purchaser of these tickets and/or passengers.

Schedules, accommodations and prices are accurate at the time of writing. They are subject to change.

DELAYS: We cannot be held liable for any delays or additional costs incurred as a result of airlines not running to schedule. Any additional land or air fees imposed on account of airline delays will be borne by the traveler.

It is your responsibility to ensure you are aware of any health requirements, health advisories, or health travel restrictions applicable to your travel destinations and to ensure that you carry all necessary vaccination documentation. Classic Escapes is not responsible for providing you with this information. You must comply with local government regulations. Any additional costs are your responsibility. Check the State Department Web site <http://travel.state.gov>, for relevant information relating to travel to specific destinations, and the Center for Disease Control <http://wwwnc.cdc.gov/travel/> relating to health issues related to travel.

You must be in good physical and mental health. It shall be your duty to inform us in case you have any medical condition that may affect your ability to enjoy and pursue fully the services of Classic Escapes. By registering for a Classic Escapes service/program, you certify that you do not have any mental, physical, or other condition or disability that would create a hazard for yourself or others.

TRAVEL INSURANCE: For your protection, we strongly recommend that you purchase trip cancellation and travel accident insurance. However, no representation or description of the insurance made by Classic Escapes to you constitutes a binding assurance or promise about the insurance. Classic Escapes is not an insurance company and has no responsibility for the submission, payment, or adjustment of any insurance claims. Any insurance claims that may fall under the relevant travel insurance policy must be submitted to the insurance company identified in the policy.
